Water Watch Wednesdays

Join Ashtabula County Water Watch this September!

all begin at 6pm and include 20-30 minute discussion and Q&A

September 2nd, 2020:

In our backyard

Join the ACWW Team as they present an overview of what is going on in Ashtabula County

September 9th, 2020:

Sacrifice Zones

What is a Sacrifice Zone and why does Ashtabula have this designation? Join the Center for Health and Environmental Justice (CHEJ) and ACWW as they discuss.

September 16, 2020:

Fresh air in Ashtabula County - 2.5 million more cars to roads of Ashtabula?

A recording of Dr. Gonzalez of UCLA as he explains particulate matter and how it affects health. Will the Petmin pig iron plant impact air quality? Who are other industrial polluters in the county?

September 23, 2020:

Radioactive brine on the roads in Ashtabula?

Teresa Mills of CHEJ (CHEJ.org) explains what it is, where it is being spread, what are folks doing around Ohio and how residents can get involved.

September 30, 2020:

How many injection Wells in Ashtabula County?

with Special guest, Dr. Ted Auch

**ALL ARE WELCOME AND ENCOURAGED TO
